.....  
*School of Mathematical, Physical  
and Natural Sciences*

**MATHEMATICAL, PHYSICAL AND  
NATURAL SCIENCES**

- Bachelor (3 years)**
- Chemistry and Chemical Technologies
  - Physics
  - Computer Science
  - Mathematics
  - Material Science
  - Environmental and Natural Sciences
  - Biological Sciences (*restricted number*)
  - Earth Sciences
  - Mathematical Statistics and Data Management – SMID

- Master (2 years)**
- Marine biology and ecology
  - Molecular and Health Biology
  - Industrial Chemistry
  - Conservation and management of nature
  - Physics
  - Hydrography and Oceanography
  - Computer Science
  - Mathematics
  - Techniques for Conservation and Restoration of Cultural Heritage
  - Materials Science and Engineering
  - Chemical Sciences
  - Geological Sciences

.....  
*School of Medical and  
Pharmaceutical Sciences*

**MEDICINE AND SURGERY**

- Six-year Master**  
*both courses are restricted number*
- Medicine and Surgery
  - School of Dental Medicine
- Bachelor (3 years)**  
*restricted number courses for certified health professions*
- Dietistic
  - Physiotherapy (*Genoa, Chiavari, Pietra Ligure and La Spezia Campuses*)
  - Dental Hygiene
  - Nursing (*Genoa, Chiavari, Savona, Pietra Ligure and La Spezia Campuses*)
  - Pediatric Nursing
  - Speech and Language Therapy
  - Orthoptic and Ophthalmologic Assistance
  - Midwifery
  - Podiatry
  - Psychiatric Rehabilitation Techniques
  - Environment and Workplace Prevention Techniques
  - Cardiocirculatory and Cardiovascular Perfusion Techniques
  - Biomedical Laboratory Techniques
  - Imaging and Radiotherapy Techniques
  - Orthopaedics Techniques
  - Childhood Neuro and Psychomotricity
- Bachelor (3 years)**  
*both courses are restricted number*
- Biotechnology
  - Movement, Sport and Health Sciences (*Savona Campus*)

- Master (2 years)**
- Medical-Pharmaceutical Biotechnology

- Health Professions of Prevention Sciences (*restricted number*)
- Sciences and Techniques of Preventive and Adapted Physical Activities
- Sport Sciences and Methodologies
- Nursing and Midwifery Sciences (*restricted number*)
- Health Professions of Rehabilitation Sciences (*restricted number*)

**PHARMACY**

- Five-year Master**  
*(both courses are restricted number)*
- Pharmaceutical Chemistry and Technology
  - Pharmacy

.....  
*School of Social Sciences*

**ECONOMICS**

- Bachelor (3 years)**
- Business Administration
  - Maritime, Logistics and Transport Economics and Business
  - Economics and Commerce
  - Tourism Sciences: territory, business and culture (*Imperia Campus*)

- Master (2 years)**
- Accounting and Finance
  - Economics and Financial Institutions
  - Maritime and Port Management
  - Management

**LAW**

- Five- year Master**
- Jurisprudence
  - Jurisprudence (*Imperia Campus*)

- Bachelor (3 years)**
- Legal services in Business and Public Administration
  - Social Work

- Master (2 years)**
- Social Work and Policies

**EDUCATION**

- Five- year Master**
- Primary Teacher Education (*restricted number*)
- Bachelor (3 years)**
- Communication Science (*Savona Campus*)
  - Psychological Sciences and Techniques (*restricted number*)
  - Educational sciences (*restricted number*)

- Master (2 years)**
- Pedagogy, design and educational research
  - Psychology
  - Development of the territories and sustainable tourisms (*Savona Campus*)

**POLITICAL SCIENCES**

- Bachelor (3 years)**
- International and Diplomatic Sciences
  - Political Science and Administration
- Master (2 years)**
- Administration and Public Policies
  - News, Media and Publishing
  - International and Cooperation Studies

.....  
*School of Humanities*

**ARTS AND PHILOSOPHY**

- Bachelor (3 years)**
- Conservation of Cultural Heritage
  - Philosophy
  - Letters and Humanities
  - Italian Language and Culture for Foreigners (*distance learning*)
  - History
- Master (2 years)**
- Modern Literatures and Performing Arts
  - Philosophical Methods
  - Art History and Artistic Heritage Management
  - Ancient Studies: Archaeology, Philology and Literatures, History
  - Historical Sciences

**MODERN LANGUAGES  
AND CULTURES**

- Bachelor (3 years)**
- Modern Languages and Cultures
  - Theories and Techniques of Interlingual Mediation (*restricted number*)
- Master (2 years)**
- Modern Languages and Literatures for Cultural Services
  - Translation and Interpreting

.....  
*Polytechnic School*

**ARCHITECTURE & DESIGN**

- Bachelor (3 years)**
- Product and Nautical Design (*restricted number*) (*Genoa and La Spezia Campuses*)
  - Sciences of Architecture (*restricted number*)
- Master (2 years)**
- Architecture (*restricted number*)
  - Product and Event Design
  - Vessel & Yacht Design (in collaboration with the Polytechnic of Milan) (*La Spezia*)
  - Green Areas and Landscape Design (*in collaboration with the University of Milan, University of Turin and Polytechnic of Turin*)

**ENGINEERING**

- Bachelor (3 years)**
- Biomedical Engineering
  - Chemical and Process Engineering
  - Civil and Environmental Engineering
  - Electrical Engineering
  - Electronic Engineering and Information Technology
  - Mechanical Engineering - energy and production (*Savona campus*)
  - Management Engineering
  - Computer Engineering
  - Mechanical Engineering

- Mechanical Engineering (*La Spezia Campus*)
- Pleasure Craft Engineering (*La Spezia Campus*)
- Naval Engineering
- Naval Engineering (in collaboration with the Livorno Naval Academy, and the Universities of Pisa, Trieste and Naples) (*for Livorno Naval Academy officers only*)

- Master (2 years)**
- Bioengineering
  - Digital Humanities - Communication and New Media (*Savona Campus*)
  - Energy engineering (*Savona Campus*)
  - Engineering for building retrofitting
  - Engineering for Natural Risk Management (*Savona Campus*)
  - Environmental engineering
  - Chemical and Process Engineering
  - Civil Engineering
  - Safety Engineering for Transport, Logistics and Production
  - Construction Engineering and Architecture (*restricted number*)
  - Electrical Engineering
  - Electronic Engineering
  - Management Engineering (*Savona campus*)
  - Computer Engineering
  - Mechanical Engineering – Energy and Aeronautics
  - Mechanical Engineering – Design and Production (*Genoa and La Spezia Campuses*)
  - Naval Engineering
  - Internet and Multimedia Engineering
  - Robotics Engineering (*in collaboration with École Centrale de Nantes, Politechnika Warszawska, Universidad Jaume I de Castellón*)
  - Yacht Design (*La Spezia Campus*)
